

## UPDATE – May 1, 2009

- Again this week, there has been no movement on any legislation regarding PACT. Five legislative days remain. SB 581 requires a third reading in the Senate before traveling to the House. No other legislation has made this much progress.
- Legislative members have been requesting information from the PACT staff as they deliberate on the best course of action. Information has been provided timely.
- There is no new movement on the two lawsuits.
- High school seniors eligible to enter college this summer or fall semester will be receiving information from PACT.
- PACT staff is preparing for payment of summer tuition benefits.
